

Why Choose Us

For your project

01 SERVE AS A BRIDGE

For achieving good governance, employee and customer satisfaction, development and tourism sector development objectives so as to bring sustainability.

02 NARROW THE GAP

Between the demand for and supply of the employee and customer engagement and satisfaction indicators and other consultancy market.

03 ENHANCE

business-doing capacity of the public and the private sectors and civil societies.

About

Get to know us.

SHAKA Agroindustry and Tourism Plc have been engaged as a consultant in Ethiopia for the last two years (since 2013 E.C), with a joint venture ETC Institute (www.etcinstitute.com) founded in 1982.

SHAKA has sufficient technical experience and professional and skilled manpower resources to provide excellent service and guidance to the client. Shaka is involved in Job creation for many by insourcing Jobs from ETC Institute.

Looking to strengthen workplace morale and boost productivity? Discover the power of employee satisfaction with our specialized organizational surveys.

Whether you're just beginning your survey journey or need assistance in refining your existing process, we're here to support you every step of the way. Together, let's foster a positive work culture that drives success. Contact one of our survey experts today!

At SHAKA, we're passionate about helping organizations take a resident driven approach to decision-making. Why? Because we understand the people who live in a community are the best source of knowledge about what they need. Our services are designed to help you engage with your residents and drive better decision making. Contact us today to learn more about how we can help you plan for a better future for your community,

Shaka is actively involved in Consultancy, agriculture, Tourism sectors, and Consultancy service
